## **The Lawyer Monthly 2011 Legal Awards Winners Announced.**

The Lawyer Monthly Legal Awards 2011 recognise the achievements of those law firms and individuals who have engaged and responded most successfully to the demands being placed on them in the new post-recession business environment and the recent global economic turmoil. The awards are divided into individual and firm categories and have been carefully chosen to reflect the range of practice areas and skills that lie at the heart of the successful law firm or legal department.

Over the past 6 months our research team collected and collated votes through our online voting form. Each vote was compared against a strict set of measurable criteria in order to produce a list of finalists and the eventual winners.

The Lawyer Monthly Legal Awards 2011 winners have stood out from their peers by demonstrating professional achievement and excellence in their region and sector of practice. We would like to take this opportunity to congratulate our winners and finalists, and thank everyone who voted.

To view the winners, head to the Awards Edition on the re-designed website at:
